PRESIDENTS REPORT

G'day members. Well as I said in the last newsletter, its been all go since we got back from the Festival.

Straight after our last club meeting we had a club event at Marksman Firing Range in the city. Thanks to

Al for organizing this 1, and all I can say is WOW, what a fantastic night. I think we were all blown away with the power and force of these guns especially the 44 Magnum (aka Dirty Harry). Firing this thing was incredible. I think everyone that went along thoroughly enjoyed themselves and yours truly came away with top score of 159 out of 160 so that was cool. Tony came in a close 2nd with a 158 out of 160 so we're both taking new job careers. Can you guess??

There's been a few events on, but we'll discuss them more at the meeting, the Gumeracha Show N Shine was a wash out and is now rescheduled for Dec 27th. We had a busy weekend of the 26th—27th of Nov with the Extreme Auto Show on the Friday and Saturday and then our Xmas BBQ Picnic which was a huge success too.

First of all I'd like to thank Richard for getting club gear to my house on the Monday & Tuesday beforehand so I could pass on stuff to Craig, Adrian and Lynton. Thanks to Craig & Adrian for setting up the club Display at the Extreme Show at Wayville and thanks to the other guys for putting their Chevy's in and Gavin as a last minute replacement as Al's SIR-454 wasn't quite ready. We didn't win the club stand award again but none the less its just showing off the club to the general public and advertise Super Chevy Sunday as well. I did hear new members Scott & Jo won Promoters Choice with the 67 Camaro so congratulations on that one.

Once we packed up Saturday night, the next day was our annual Xmas Picnic at Bonython Park. A big thanks to Lynton for the paperwork side of things and dealing with the ACC, Pete and Trina who again go above and beyond for the club. The set up was fantastic, the meat was excellent and can you pass on a big thanks to Santa for showing up too. Pete you always seem to miss out on seeing him!!! Thanks to Tony for the rolls and bread, Keith and Gavin for getting there early to help set up, the cooks and everyone for bringing along a salad or sweet to share. That worked extremely well. Thanks to Paul Murdoch's ride for Santa, I don't know how he jags a ride all the time in these cool chevys!!! Thanks to Tina for some fun and interesting games...(see pics on FB)...It was good to see and meet some new members too so I'd just like to say Thanks to you all for coming along, I hope you had a great day out and we may hold next years event at the same location as everyone seemed to love it.

Lastly on Dec 2nd the club ran a short Cruz up to Copenhagen Cafe in Hahndorf and by all accounts was a successful night. We had a handful of members turn up for a low key cruz, a bit of food and bench session, then a short cruise after. We'll be holding another one on Jan 6th so come be part of it. Thanks to Steve for being the main man on this one. See Coming events for details on the next one.

Super Chevy Sunday #24 is creeping up quick. Check page 4 for more details and fill in your entry form. Remember its free to pre enter for "Club Members" only so no excuses. Don't be a shed member, get your Chevy out and come along to the Clubs biggest 1 day Chevy show in lil old Adelaide....Be part of it....Its always great to see Chevs in the carpark at meetings too, so don't be shy and bring them along.

Well that's all I can fit in again, Cya at the meeting. Cheers, Paul
